Hello!

Another year has passed and here's that newsletter again. Some of you look forward to it each year (at least we hope you do). Many of you don't even know it exists. (Where did we go wrong?). Then there are those who don't care one way or the other (and we hope that will change).

We have over 3,000 living L.G.H.S. Alumni and only ten active members who attend the meetings, help with the newsletters and the banquet. Where I went to school that was not considered very good odds. Let's see if we can change that! Please try to attend the meetings--3rd Wednesday of September, October, March, April, and May at 7:30 p.m. and usually held at the Town Hall. We won't force you to do anything but your input is important to our organization.

We are having our banquet at Surfside again this year. Social Hour is 6 to 7 P.M. We will have time to visit with old friends (and some not so old friends) and to catch up on news about those who cannot attend. There is also a table set up to show off any memorabilia you may want to bring and share.

Come join us for a fun evening!
